Hi Karyllan,

The meeting invitation says “26 floor” so it is probably the RA’s conference room. I think you just go to 26 and there is someone in the reception area.

It seems likely that laptop/project capacity exists in that room, but will try to find out and get back to you.

Sarah

Hi Sarah -

I was wondering if you knew what office space we would be in for the meeting with the Regional Administrator. My follow-up question is whether or not laptop/projector capabilities exist in that space.

Many thanks,

Karyllan
